Staff and Board Induction Policy

Background

This policy outlines the programme that is used at Dania School to induct any newly appointed staff (both teaching and non teaching) and governors. It gives a framework within which all staff and governors can work together to ensure a smooth induction for new staff.

The Induction Programme for newly appointed staff is the first part of the School's Staff Development Programme, which involves all staff – both teaching and non teaching.

Staff are our most expensive resource and form a large part of the investment of the school and therefore the induction programme is planned and budgeted for in the School Development/Improvement Plan.

Philosophy

At Dania School we feel it is important that all staff – both teaching and non teaching are inducted into the whole team and that induction should begin as soon as practicable after the appointment.

Dania School encourages the philosophy of a 'whole school approach' to the life and work of the school. All members of the school community are valued and respected as individuals and as members of the whole school team. It is important that new staff are welcomed into the whole school team, helped to establish their role and position within that team.

It is vital that new staff are given every assistance in settling into school quickly and happily and gain a knowledge and understanding of the philosophy and ethos of the school, the routines and practices that take place and the way in which the school operates.

Responsibilities - Who Supports Newly Appointed Staff?

The induction of all new staff, including support staff, is an important aspect of school life and is essential in maintaining and developing the school ethos. It is essential that all new staff know who is responsible for giving them support.

At Dania School the Induction Programme for newly appointed staff operates under the direction of the Headteacher. The Headteacher acts as induction coordinator for newly appointed staff as well as being the Staff Development Coordinator.

Induction is there to help, reassure, guide, counsel, inform and listen, and is responsible for monitoring the progress and professional development of newly appointed staff, guiding new staff through the school documentation, for whole school issues and for organising the appropriate support meetings.

The induction of a new Headteacher is the responsibility of the Chair of Governors, and the Leadership Team. The Leadership team will give information, support and advice about the curriculum. All other staff in school are involved in the induction of any newly appointed staff.

All staff assist in integrating a new colleague into the Whole School Team. They share experiences and ideas, help in practical ways and offer support. Newly appointed staff are encouraged to approach any member of staff with any queries they might have.

The Headteacher adds the newly appointed staff to the INSET plans for the year and consults new staff regarding their INSET needs.

The Induction Programme

Aims of the Induction Programme

- To make all staff feel welcome and at ease in their new environment.
- To enable new staff to settle happily into school so that the quality of learning experienced by the children can be maintained and improved.
- To enable new staff to understand the philosophy and ethos of the school and to observe good practice so that it can be reflected in their own work.
- To enable new staff to make a full contribution, taking on all their responsibilities as soon as possible.
- To foster positive relationships between existing and newly appointed staff and to ensure there is a system of support in place.

Immediately after a successful interview, the Headteacher welcomes a new colleague to the school and answers any questions. At this stage, new staff members are made aware of certain documents (they may be directed to the school's website to view these documents or given a paper copy if requested)

These include:

- Staff Handbook
- Term dates and calendar (including INSET Days)

New colleagues are shown around the school and their classroom is identified.

Pre Commencement Visits

Ideally, a new colleague should visit the school several times before starting. This could be in term time or during a holiday. At this stage, the Headteacher makes available and explains further documentation including:-

- National Curriculum Documents;
- School Policies
- Child Protection Policy and Safeguarding Procedures;
- School record keeping systems;
- Timetables and rotas;
- Term Calendar (this includes the dates of all major events in the school year);
- Class lists and class records (teachers only).

A full list of possible items in an induction pack for new staff is in Appendix 1. Some items may not be appropriate for non teaching staff.

The Headteacher explains the school's staffing structure and introduces new colleagues to as many staff as possible. A second guided tour of the building helps identification of other classrooms, curriculum resource stores etc. It might be appropriate for newly appointed teachers to 'shadow' the class teacher of the children they will be teaching.

Initial Induction Meeting – All Staff

The Headteacher meets new teacher(s) early in their first term to plan details of the induction programme for the school year. Regular new teaching staff support meetings, taking the form of discussions/seminars are agreed. These could be 'twilight' meetings or held during the school day, if cover can be organised.
